

# THE NFL DRAFT

## Scouting

Read about the three quarterbacks and their skills below. Which one would you draft?  
Write a paragraph explaining why you would choose the player you did.

- Rod Smith can throw very far, but his passes are not as accurate as other quarterbacks. He is a fast runner.
- Tim Rodgers can throw accurate passes, but he can't throw as far as other quarterbacks. He is an average runner.
- Blake Jackson can throw accurate passes, and he can throw very far. He is a slow runner.
