

NEEDS AND WANTS

Memory Game

With the help of an adult, cut out all the squares below. Find a friend to play with then turn the cards face down and lay in rows. Take turns to turn over any two cards. If the two cards you turned over match, keep them and go again. If the two cards you turned over don't match, it's your friend's turn. Use your memory to remember where the items are and which items are wants and needs. The player with the most pairs wins!
